SUMMARY OF ADDITIONS AND CHANGES TO THE CCRA WEBSITE: 2002 AND 2003

By Terrance S. Carter, B.A., LL.B. and Suzanne E. White, B.A., LL.B.

A. INTRODUCTION

This *Charity Law Bulletin* ("Bulletin") is an extract from a paper entitled "Recent Changes to the *Income Tax Act* and Policies Affecting Charities and Charitable Gifts" posted on <u>www.charitylaw.ca</u>. Given the virtual avalanche of materials that has been released by CCRA almost every few months over the last two years, it would be impossible within the confines of this *Bulletin* to discuss in any detail or even mention all of the additions and changes to the CCRA website which affect charities. Instead, this *Bulletin* is a synopsis, current to December 1, 2003, of all publications that have been published by CCRA with regards to charities in 2002 and 2003. This summary organizes the material from CCRA in a practical fashion for the practitioner. The reader is advised, though, that this compendium of documents is *not* an official CCRA publication, and as such the reader should refer to the actual documents on the CCRA website for official identification and texts of the materials. All documents referred to can be accessed from http://www.ccra-adrc.gc.ca/tax/charities/menu-e.html.

C. CONCLUSION

It is hoped that this summary will serve not only as a review of recent initiatives by CCRA and Finance affecting charities, but also as a reference tool for future study of the resource materials that CCRA has now made available on its website. Charities and charity law practitioners alike have for years asked CCRA for more accessible ways in which to determine CCRA's position with regards to how registered charities are registered and how they are required to operate. CCRA has responded with a wealth of resource material that can now be accessed online anywhere and at any time. It is expected that increased transparency and accessibility on the part of CCRA will give existing and future charities a clearer understanding of what responsibilities and benefits will apply to them in obtaining and maintaining their status as registered charities in Canada. Lawyers who are involved in the area of charity law will want to ensure that they become familiar with the quantity and scope of changes in legislation and policy that now affect charities.
