3. LIMITED PARTNERSHIP INTERESTS	
Increasing requests to receive gifts of limited partnership interests	
Limited partnerships are very different from general partnerships and are usually set up by companies that invest money in other businesses or real estate	
16	
	1
a) Income Tax Considerations for the Donor	
Donation tax deduction or credit for the FMV of the interest	
50% of any capital gain would be included in income and subject to tax, unless a publicly listed security	
isted security	
17	
	_
b) Income Tax Considerations for Charity	
 CRA Position: The charity would be considered to be carrying on a business if it becomes a limited partner in a partnership 	
and subject to possible revocation	
 The fact that the principal activity of the partnership is the investment of funds did not change their view 	
Change then view	
18	

But, consider whether position would be the	
same if donation consists of limited	-
partnership units which are publicly listed, widely held, and sold immediately upon	
receipt	
reco.pt	
	-
19	
	<u> </u>
]
4. INTEREST IN A HEDGE FUND	
Investment advisers increasingly asking	
charities to accept gifts of units in a hedge	
fund and issue tax receipts for them	
 Hedge funds are a specialized kind of 	
investment. They are usually addressed to	
sophisticated investors and are privately offered, and thus may escape the regulatory	
controls placed on investments sold to the	
public, such as mutual funds	
20	
	1
 Canadian donors and charities access hedge funds through a number of different forms 	
including managed accounts, pooled funds	
and derivatives	
Retail investors usually holed interests in	
pooled funds, which are usually structured as	
limited partnerships or trusts	
21	

a) Income Tax Considerations for the Donor	
 Donation tax deduction or credit for the FMV of the interest 	
• 50% of any capital gain would be included in income and subject to tax, unless a publicly	
listed security	-
22	
b) Income Tax Considerations for the CharityWill depend on the nature of the underlying	
interest, unit in a limited partnership or a trust	
• If limited partnership interest, see concerns above	
CRA position: The <i>Income Tax Act</i> allows charities to accept a gift like an interest in a	
hedge fund (Registered Charities Newsletter No. 8 — Spring 1999)	
23	
	٦
 CRA intends to closely examine the valuation of these gifts 	
• Independent, expert appraisals (with access to all relevant facts) must be obtained to	
determine the FMV of the fund units when the gift is made	
Any tax receipt issued should carry the name and address of the appraiser	
and address of the appraiser	

5. ECOLOGICAL GIFT
 Budget 2006 measure overshadowed by public shares
EGP is a specific tax incentive program designed to encourage the donation of ecologically sensitive land & certain interests in land
What is ecologically sensitive land? Areas or sites that presently, or in the future, could significantly contribute to the conservation of Canada's biodiversity and natural environmental heritage
 Government of Canada certifies the value of ecological gift donations for income tax purposes
25
Example: Donation of a Remainder Interest
Sue earns \$75,000 as an accountant in Halifax
• She has owned 6 ha of property in Lunenburg County in an area with a planning restriction that prohibits development on lots smaller than 2 ha. The land includes a picturesque and
significant stretch of coastline and has been in Sue's family for over a century
 In recent years, large areas of Nova Scotia's southern coast have been bought up by wealthy foreign visitors for homes and cottages. Sue is concerned that there may soon be little
undeveloped coastal habitat left
Sue opts to keep a life interest in the land so
she may live out her days there and to donate the remainder interest to a land trust as an ecogift
The land, originally valued at \$80,000, is now worth \$400,000. The remainder interest is

for the property

worth \$250,000. The land trust also enters into an agreement with Sue to use and care

a) Income Tax Considerations for the Donor	
Certified FMV of gift is \$250,000 - it is generally the current appraised FMV of the gift less the value of the life interest (IT 226R)	
• Taxable income is \$75,000	
The entire amount of the donation may be used – not limited to 75% of her taxable	
income like other gifts	
28	
Immediate donation tax credit in year of gift	
even though able to continue to use the property	
 Remainder of the donation may be carried forward for 5 years 	
 No tax on the capital gain arising as a result of the disposition of the remainder interest. 	
•	
29	
b) Income Tax Considerations for the CharityMust be an eligible recipient: federal or	
provincial Crown, municipality or a	
registered charity one of the main purposes of which is the conservation and protection of Canada 's environmental heritage	
No disbursement requirement if requirement to hold for ten years (neither 80% or 3.5%)	
No risk re: valuation since certified
